

**ST. LUKE'S  
Episcopal Hospital**

We at St. Luke's Episcopal Hospital would like to thank you for your efforts in assisting us with our technical resource needs. Technical ProSource has a successful track record of consistently demonstrating their understanding of our environment. The consultants you have provided us have been great contributors to our successes in customer satisfaction and increased client confidence.

Given today's fast paced business environment, the fact that your organization has been able to respond quickly and with quality talent proves your commitment to both your clients and employees. We have been very pleased with the service that you have provided to us.

We look forward to working with Technical ProSource on future endeavors.

Very truly yours,

St. Luke's Episcopal Hospital
